84 Years of Courtesy

Courtesy is another name for kindness-kindness and consideration shown in the little momentary contacts of life, as well as in the larger and more important ones. Courtesy is more a matter of the heart than it is of culture. It springs spontaneously from a desire to show consideration for the needs and feelings of all persons regardless of rank or position.

We have always tried to place in contact with our customers men whose courtesy bears the genuine stamp and whose consideration for those they are in a position to serve springs from an in-

Dr. Max Nordau of London was chosen hon-orary president.

Nordau of London was chosen honorary president.

Forty-two American and four Canadian delegates were present among the 250 representatives of every civilized country. Dr. Nahum Sokoloff of Berlin, in his opening speech as chairman, said the conference must consider the question of immigration and finance. He declared:

"Although for the many massacres in the Ukraine not heaven nor the mercy of the angels could find pulliation, the Jews do not cry for vengeance, but will face the task of restoration soberly and inoffensively."

"Compared with these murderers," Dr. Sokoloff said, "Nebuchadnezzar was a nobleman."

ROME, Italy, July 7.—The annual congress of anarchists has come to a close at Bologna after the adop-tion of resolutions favoring the es-tablishment of soviets of a political nature. The meetings were held in secret. Nevertheless news of them made its way into the newspapers of Italy, which is perhaps the only country in the world in possession of a full-fledged anarchist party.

Philosophically such a party organ-Philosophically such a party organ ization is an anomaly. Nevertheless 80,000 Italians who admittedly are anarchists belong, theoretically, to the organization which is called the Italian Anarchist Union. Their delegates are cautious about adhesion to the third internationale. They favor chist internationale, which show that the anarchists are really inter

ested in getting results.

The head of their organization is
Errico Malatesta, who recently returned from exile to advocate violent
revolution and the overturning of all revolution and the overturning of all government. The party has a newspaper, the New Era, and it gathers a sporadic following from among the erratic classes and the unruly social elements. The charge is now made that anarchists were responsible for the recent riots in Ancona and other Adriatic cities. The truth is that the anarchists were provided with a sit-

Adriatic cities. The truth is that the anarchists were provided with a situation they did not create. The provinces where the disorders occurred are always in opposition to the established order, and chronically against the government.

The anarchists have long been pleading with the socialists for the establishment of what they call a "single revolutionary front," but the socialists, fearful that in the test they might lose their strong political position, have refused. The anarchists losing patience, have endeavored to losing patience, have endeavored to take matters into their own hands and have failed signally. treaty.

The document says the conditions which led to the negotiation of the treaty no longer exist, and declares the danger from Russia and Germany has been removed. America, it asserts, is the only power with strength sufficient to endanger peace, and "it is unthinkable that country would alter its established policy overnight."
